Planning

Who?

What?

When?

Where?

Why?

How?

Example: Scene 12 // Day 78 // Luke POV // the Death Star // Night

On his way to the Millennium Falcon to escape the Death Star, Luke hears light sabers.

Should he intervene in the fight and save Ben but give up Leia, or does he leave Ben to a certain death to escape the Death Star with Leia to save the Rebellion?

Luke leaves with Han Solo, Princess Leia, and crew. Ben is killed by Darth Vader.

**Print one for each scene.*
